

ROBERT FARNON'S COMPOSITIONS

This section lists Bob Farnon's compositions, including the sub-sections of composite works. However, it does not include all of the very short (often only a few seconds) pieces which formed parts of film scores - details of these may be found in the FILM SCORES section.

For further information about individual compositions, refer to the titles section which also gives details of the many arrangements Bob made over the years including the unrecorded ones.
